

Montgomery County Department of Environmental Protection  
**BUCKHORN BRANCH STREAM RESTORATION**

### IMPORTANT CONSTRUCTION UPDATE

The Montgomery County Department of Environmental Protection (DEP) has identified the Buckhorn Branch Stream for retrofit and enhancement. We are writing to inform you that this project's anticipated start date has been moved to a later timeframe than previously communicated.

- We are currently anticipating construction for the Buckhorn Branch project to begin in **late spring 2025**; progress on permitting is ongoing.
- Additional information will be conveyed once the permits/plans are finalized, and we will continue to keep you informed in advance of construction.
- We are in the process of updating the project website to reflect this, as well. We are currently anticipating construction for the Buckhorn Branch project to begin in late spring 2025; progress on permitting is ongoing.
- Additional information will be conveyed once the permits/plans are finalized, and we will continue to keep you informed in advance of construction.
- We are in the process of updating the project website to reflect this, as well.

We know that changes can be inconvenient, and we appreciate your patience and understanding as we prepare for this important project.

For questions, please contact **Joy Hamilton** or **Olivia Blackwell** at **240-583-7928** or via email at **oliviab@assedolc.com**. For project information, visit our website: <https://res.us/mococounty/>
